HEALTH CONNECTION

educate | empower | enrich

formerly Good Samaritan Project

**GRATITUDE
REPORT**

2019

H I G H L I G H T S

APRIL

Thrive Health Connection announced as new name for Good Samaritan Project, reflecting the evolution of services and the community we serve.

JULY

Thrive Health Connection expands services by establishing two part-time Mental Health Clinicians who provide services on-site.

MAY

Thrive Health Connection celebrates 35 years of serving the community.

SEPTEMBER

Thrive Health Connection begins offering Transgender Psycho-Educational Group for individuals and professionals in the community.

“Together, we have created an impactful legacy in the Kansas City area over more than three decades. Throughout this last year, Thrive Health Connection has built some strong community partnerships that will allow us to serve even more individuals that are vulnerable and disenfranchised. Our organization-wide values of acceptance, hospitality, respect and inclusion create a very strong foundation for developing a diverse, inclusive, thriving community.

I would love for you to come and see our new space at 5008 Prospect Avenue, so you can see firsthand what we are doing and see the impact of your gift. Your support makes a real, lasting impact in the lives of those who are still in need.”

**-Caroline Huffman,
Chief Executive Officer**

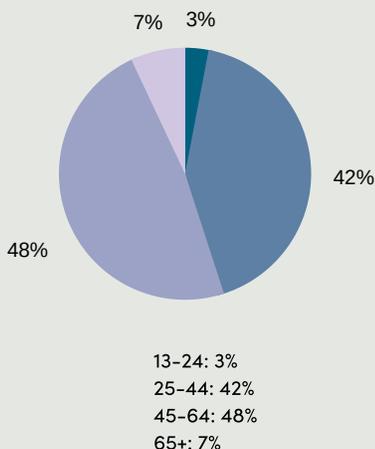

OUR IMPACT

Thrive Health Connection continues to serve individuals throughout 11 counties in Kansas and Missouri. The client satisfaction rate for Thrive Health is 97.3%. The organization observed steady growth in individuals served by both our Case Management and Prevention programs from 2018 to 2019, reinforcing the necessity of our services within the community, as detailed below:

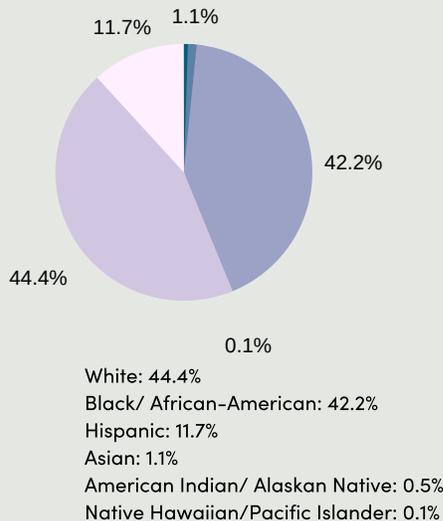

MEDICAL CASE MANAGEMENT

<p>Total number clients served</p>  <p>888</p>	<p>96%</p> <p>Viral Load Suppression Rate</p>	 <p>51%</p> <p>Clients at or below the Federal Poverty Level</p>
<p>Emergency Assistance Funds allocated</p> <p>\$10,362</p>	<p>Single Ride Bus Passes distributed</p> <p>1,908</p>	

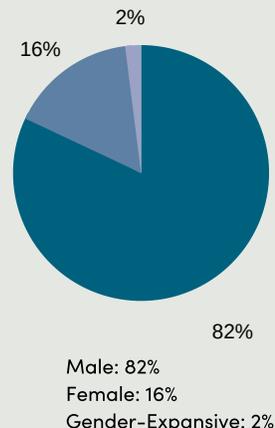

AGE

RACE & ETHNICITY

GENDER

<p>0.3% Received positive HIV test result</p>	<p>70% Individuals tested between age 20-34</p>	<p>14% Received positive STI test result</p>

FINANCIALS

Thrive Health Connection would like thank all of our investors and community partners, new and continued, for their support. Each and every one has played a major role in helping Thrive Health continue to enhance its mission of providing inclusive, holistic, and integrated health and wellness services to individuals affected by HIV and other STIs, LGBTQIA+ communities, and those seeking a welcoming and affirming health and community center.

GET INVOLVED

DONATE

Thrive Health Connection is not letting up on the fight to support individuals living with HIV in Kansas City. The good news is that with your steadfast support, we can keep doing what we do best: helping individuals become and stay virally suppressed and connecting them to vital resources. We also strive to keep others from acquiring HIV in the first place.

Every contribution, small and large, matters and there are a variety of ways you can give. Whether you choose to make a single gift, or to join Thrive Health Connection's Champions for Health with a monthly gift, we welcome you to our family of supporters.

If you would like to donate to support the work of Thrive Health Connection, please visit [thrivehealthkc.org/get-involved/#donate](https://www.thrivehealthkc.org/get-involved/#donate)
